**Prinz Von Hessen, H Riesling, Qualitätswein, 2008**  
**€15.49 from Cellars, The Big Wine Warehouse, Naas Road, Dublin; and Unit 1, Deanstown House, Blanchardstown, Dublin 15 (89)**

The wineries in the Rheingau produce first-class growths of rieslings, and among the very best is Prinz Von Hessen's estate.

This example is an entry-level riesling from what are described with refreshing candour as merely nearby vineyards. The wine is excellent – a very fresh, green apple skin-oriented riesling with a touch of smoothness, and off-dry lusciousness mid-palate leading to a crisp, clean finish. A superb riesling at a reasonable price.
